

Our arabian horse stud, **Undurra Arabians**, is located at Meadow Creek in the beautiful King River valley close to the mountains of Australia's South-East.

We are 3 hours by freeway from Melbourne and 8 hours from Sydney.

Left: A ride in the bush

Right: Craig's high country hut featured in the movie 'Man From Snowy River'

Left: Autumn at Undurra

Right: Kangaroo

Left: Koala

Right: Goanna

Our area is known for its rich farming land, world class wine, gourmet food, our Italian festivals, our mountain horsemen and our peaceful mountain scenery. We are surrounded by bush trails, rugged mountain tracks, creeks and quiet rivers, all ideal for riding. While riding we are likely to see kangaroos, wallabies, echidnas, goannas or some of Australia's vividly colored birds - parrots, cockatoos or galahs.

Left: Australian Black Swan

Right: Echidna

As well as breeding arabian horses, we also breed Murray Grey beef cattle, a breed which was developed not far away in the upper Murray River region of Australia and is now a breed found worldwide.
